

# International Year of Statistics, Luxembourg

---

**26 & 27 November 2013**

Parc-BelleVue Hotel, Luxembourg

## Call for Posters

### Introduction

To mark the International Year of Statistics in Luxembourg, a number of local groups of statisticians are collaborating to hold a two-day conference to showcase research into and application of statistics in Luxembourg and beyond. The program of oral presentations is fixed, however, there will also be an opportunity in the program for contributed posters to be presented. This is a call for posters.

### Key Dates

May 2 2013 Call opened

July 22 2013 Deadline for abstract submission

July 31 2013 Notification of abstract acceptance

### Instructions

#### Format

Submissions should be on one side of A4 in Word or PDF format and contain: Title, Author(s), Affiliation(s), Contact details (including email address) and an abstract of not more than 400 words. Figures may be included as part of the abstract as long as the page requirement is not exceeded. If there is more than one author the contact details should be for the corresponding author. An example is attached.

#### Submission

Abstracts should be submitted by email to Christophe Ley or Yvik Swan on [chrisley@ulb.ac.be](mailto:chrisley@ulb.ac.be) or [yvik.swan@uni.lu](mailto:yvik.swan@uni.lu).
